

WELCOME TO THE UNKNOWN...

Thank you for coming to hang out with us in our secret little cocktail bar. We know times have been weird but let us assure you we are doing everything we can to keep things safe for us all. So sit back, and let us take care of you...

We offer a range of House created seasonal cocktails (our menu is ever-changing), all the Classics, some weirdly delicious hot dogs, cheesecakes, wine & beer. We also have over 500 unique spirits for you to try!

Since opening in December 2018 our goal at Unknown has always been to become THE cocktail bar of Chattanooga. We aim to be a different kind of cocktail bar. A place where you can shoot the shit with our bartenders, take in some good music and sip on creative, high quality drinks. But most importantly, somewhere you can feel comfortable!

Again, thank you for choosing to spend your evening with us. We truly appreciate you. If we can do anything for you, please let us know.

Cheers!

H O U S E R U L E S

- I. The Golden Rule Abides - treat each other as you would like to be treated. We are all mates here.
2. Absolutely NO guns - We don't mind if you have a gun at home, but please respect our preference here. Leave them at home.
3. We want to delight you - if you have any feedback about how we can do this then please let us know.
4. As the industry legend Jamie Boudreau says, "a good cocktail takes a little bit of time". Please bear with us, we will get your delicious drinks to you as soon as we can.
5. Enjoy your delicious drink, don't try to get drunk. It will happen, trust us!
6. Try something new. You'll probably like it and we will think you are cool.
7. Don't one-up your friends' stories. Just don't be that guy.
8. Stealing and Vandalism will NOT be tolerated. We want all our guests to see how cool our place is. If caught we will report to police.
9. There is no such thing as a 'girly' drink. It's elegant. Enjoy it, own it, and the girls will love you more for it.
10. NO smoking inside (includes vape pens). Glassware must also be left inside before going to smoke.
- II. If you meet your partner here, all bartenders must be invited to the wedding. With open bar, of course.
12. If something is not quite right for you, please let us know so we can make it right on the night - going home to your 12 cats and destroying us on Yelp doesn't help anyone. We want to make things right for you...
13. If you like what we do here, please tell more cool friends about our secret drinking den.
14. We are here to make you happy. We want to be mates, so please treat staff nicely.
15. Most importantly...Enjoy your drink, down some dawgs, take in the music, have fun with great company and be merry.
